## EDUCATION

**B.TECH INFORMATION  
TECHNOLOGY AND ENGINEERING**

P P Savani University

2021-Present with 8.5 CGPA

**HIGHER SECONDARY EDUCATION**

2017 - 2019 with 55%

## SKILLS

- WEB DEVELOPMENT
- ETHEREUM BLOCKCHAIN
- SMART CONTRACTS
- SOLIDITY
- MOCHA TESTING
- GANACHE
- METAMASK WALLET PROVIDER
- REACT.JS FRAMEWORK
- NODE.JS FRAMEWORK
- NEXT.JS
- JAVA LANGUAGE
- C LANGUAGE
- TRUFFLE
- DATA STRUCTURES &  
ALGORITHM
- VERBAL COMMUNICATION

## CERTIFICATIONS

- Ethereum and Solidity: A complete development Certification with Udemy.
- Solidity 30-day challenge with Codedamn.
- Introduction to Blockchain for Global Commerce with Coursera.

## SUMMARY

As a lifelong learner, I am currently focused on expanding my knowledge and skills in the exciting and rapidly-evolving field of blockchain technology. Through self-directed study and online courses, I am gaining a deep understanding of the underlying architecture, consensus mechanisms, and smart contract development.

## INTERNSHIPS & PROJECTS

### **2023/6- WEB DEVELOPMENT AND DESIGNING INTERN**

Keys and responsibilities -

- I have built a web application for a self-portfolio website, showcasing my skills, experience, and achievements with a passion for Web development.
- Build a level-2 projects To-do list, tribute page, and a unique calculator
- <https://github.com/Dhruvil7694/OIBSIP-.git>

### **KICKSTARTER PROBLEM FOR FUND RAISING**

- The solution is being under implementation which is intended to reduce fraud up to 92%.
- The accuracy of the solution is nearly 90% and even more because the smart contract is designed in such an accurate way.
- The solution increases the efficiency of the process and maintains the security of all the money donated for the product.
- <https://github.com/Dhruvil7694/KickStarter-Blockchain-web3.git>

### **LOTTERY SYSTEM**

- A project with the principle of Blockchain and Web3 helps to learn fresher and stay connected to new emerging technology with great learnings.
- <https://github.com/Dhruvil7694/My-first-BlockChain-Project.git>

### **SELF PORTFOLIO WEB APPLICATION**

- I have built a web application for a self-portfolio website, showcasing my skills, experience, and achievements with a passion for Web development.
